

## Details on Grading Structure

This page will give you some details about how many points (maximum) you will need to attain an A, B, or C in Math 100a. Points will be distributed as follows:

|  | Total Points Possible       | Your Points | Points Needed For |     |     |
|--|-----------------------------|-------------|-------------------|-----|-----|
|  |                             |             | A-                | B-  | C-  |
| <b><u>Quizzes:</u></b><br>(9 quizzes given; drop the lowest score + 20 points)                                     | 100                         |             | 90                | 80  | 70  |
| <b><u>Hour Exams:</u></b><br>In Class<br>Take Home   | 300 Total<br>(200)<br>(100) |             | 260               | 220 | 170 |
| <b><u>Paragraphs</u></b>   | 40                          |             | 35                | 30  | 25  |
| <b><u>Homework</u></b><br>(total earned + 11 points)<br>$\checkmark^- = 4$ ; $\checkmark = 7$ ; $\checkmark^+ = 9$ | 110                         |             | 90                | 85  | 75  |
| <b><u>Final Exam:</u></b><br>In Class<br>Take Home   | 180 Total<br>(90)<br>(90)   |             | 150               | 125 | 95  |
| <b><u>Attendance</u></b><br>(1 point per class)  | 40                          |             | 37                | 35  | 32  |
| <b><u>Participation &amp; Effort</u></b>   | 30                          |             | 28                | 25  | 23  |
| <b><u>TOTAL</u></b>  | 800                         |             | 690               | 600 | 490 |
| <b><u>Extra Credit</u></b><br>(added to your total)  | 50                          |             | ---               | --- | --- |
| <b><u>TOTAL with Extra Credit</u></b>  | 850                         |             | 690               | 600 | 490 |
