

U.S. Companies Who Have Hired MHC International Students 2002-2004

As an international student conducting a job search in the United States, it could be useful to know the companies that have recently hired other MHC international students. This list is based on information provided to the MHC Alumnae Office by recent graduates. Please keep in mind this list is intended to show possibilities recently available with no implied or existing commitment from these companies for future hiring.
