

If I can do it, anyone can:  
*How to become a foster/adoptive parent in Massachusetts*

Presented by JoAnn Jordan

If you've always wondered how to become a foster/adoptive parent in Massachusetts, stop by and find out in this informal information session. I will share with you my experiences as an adoptive mother and a local advocate for adoption in the Western Massachusetts area.

*Did you know adoption of children from foster care is free?  
Did you know that children adopted from foster care get free  
medical insurance?  
Did you know that children adopted from foster care get free  
state college tuition?*
