*Hours recommended represent the least conflict with 75-minute classes and labs. Please avoid 4th hour times in parentheses whenever possible; use Friday afternoon or Monday evening times as often as can be arranged.

Extended Class Hours (only for science labs, seminars, or studio classes):

- 8:35-10:50 any day
- 1:15-3:05 any day
- 1:15-4:05 any day
- 1:15-5:05 any day
- 2:30-4:00 any day
- 3:15-5:05 only on Monday
- 7:00-10:00 pm (or any part of that time) only on Monday

Limited Options for Specific Courses:

- Astronomy laboratories may be scheduled any evening beginning at 7:30 pm.
- A few sections of language courses may be scheduled 12:20-1:10 any day.
- A few sections of first-year seminars and multi-section courses may be offered in the following slots:
 - 4:15-5:30 any day
 - 6-7:30 on Tuesdays and Thursdays only.
- A few sections of science labs in courses where there are many lab choices may be scheduled in the evenings any day 7-10pm.

Classes must not be scheduled during Faculty Meeting hours, Wednesday from 4:10-6:00 pm. All classes, with the exception of 4-hour labs and classes in the 3:15-5:05 Monday seminar slot, must end at 4:05 pm to allow student participation in music, athletic, and extracurricular activities. All requests for deviations must be appealed to Schedule Committee, which is a sub-committee of the Academic Policy Committee. Requests for deviations must be submitted to the Registrar at the time the preliminary schedule information is submitted.
