The **Degree Audit** evaluates your academic record and reports your progress in meeting the **College Requirements**.

If you have transferred in courses or have taken standardized exams such as AP, IP, or A-Level, you will be able to see what we have posted to your academic record.

In the summary below, **Earned** credits represent credit for transferred courses. As you progress through your Mount Holyoke courses, the number of **Earned** credits will change and will represent your cumulative earned credits. **Additional** credits represent credits you are taking in the current semester.

	Current.....	Anticipated(*).....			
	Required	Earned	Remaining	Additional	Remaining
Overall Credits:	128.00	28.00	100.00	4.00	96.00
(*) Anticipates completion of in-progress and registered and planned courses					

As you read through the **Degree Audit** you will see how credit has been applied to **College Requirements**. The following statuses will be recorded next to each **College Requirement**; this information will appear on the left-hand side of the degree audit: **W=waived, C=Complete, I=In progress, N=Not started, P=Pending completion of unfinished activity**.

- Examples:
- W**) Language Requirement (no language courses need be taken)
 - C**) Distribution Requirement in Science-Mathematics (two courses, one with lab, have been taken)
 - I**) Residency Requirement (has not yet been completed)
 - N**) Physical Education Requirement (no PE courses have yet been taken)
 - P**) Multicultural Perspectives Requirement (course satisfying the requirement is currently being taken)
