1) Class Schedule

Select this option to see your official class schedule. Your transcript will be drawn directly from this information. If this schedule for the term is missing a course you are taking/took, that course will also be missing from your transcript. Likewise, if the schedule lists a course you think you've dropped, you must initiate fixing the record immediately! You are responsible for making sure that your class schedule accurately reflects the courses you are attending in a given semester. If there is a discrepancy, you must resolve it.

- Select the appropriate semester you would like to look at and click Submit. Your schedule will be returned to you in a few seconds.
