

## Outside Scholarships / Outside Resources

**Due date** for notifying Student Financial Services of outside scholarships:  
**September 15th** – full-year or fall-only outside scholarships  
**February 15th** – spring-only outside scholarships

The College is required by federal regulations to make certain that the total financial aid received by a student from all sources does not exceed her eligibility. Therefore, all outside assistance must be reported to Student Financial Services. The details of our non-college scholarship policy can be found on our website, under Financial Aid Package. Please attach copies of award letters and/or tuition benefit notifications.

*Federal and state grants, including any benefits received from your parent's employer for your education will replace an equal amount of your college grant.*

*MHC will send transcripts by request only. You will be responsible for meeting the requirements of the organization awarding the scholarship.*
