Zim Club	\$ 566	\$ 283			

\* Organizations who asked for \$1 do not actually receive the \$1, it's just symbolic of their consecutive semesters on Contingency Funding to get to Regular Funding.

\*\*Organizations who requested money but didn't receive any either had enough money in their account to cover all their expenses and failed to note that on their funding application or made an application that doesn't fit our guidelines.

\*\*\*The extra money will be added to Special Funding for this semester.
