

Birthday Cakes & Cookies!

Dear Parents, Friends, and Family members:

The sophomore class of Mount Holyoke College presents you with the opportunity to purchase a cake for your student to celebrate her birthday or any special occasion even though you may be miles apart! The options include both traditional cakes as well as large (14-inch) cookies. The cookies, available in chocolate chip and oatmeal raisin, will have an iced message on top. Either item can be delivered to the bell desk in the student's hall on the requested day. **Orders should be received at least one month prior the day of delivery. Pre-orders are recommended and appreciated.**

Cakes and cookies will be delivered during the academic year beginning **Thursday, September 6 through Tuesday, May 6**. No cakes and cookies will be delivered during October Break (October 6 - 9), Thanksgiving Break (November 21 - 25), the last day of classes in December through January Term (December 12 - January 28), and Spring Break (March 15 - 23). **If your student changes residence halls during the academic year after an order has been placed, please e-mail me with the update.**

If you would like to order a cake or cookie for your student, please, fill out the attached form and enclose a check or money order (\$US) for the appropriate amount made out to "MHC Class of 2010." Forms and payments should be sent to:

Tenaya Vallery
3247 Blanchard Student Center
Mount Holyoke College
50 College Street
South Hadley, MA 01075

Please, feel free to contact me at this address or via email at valle20t@mtholyoke.edu with any questions or concerns. Please, write "CAKES AND COOKIES" and the DATE of your student's birthday/special occasion on the envelope. **For those who want a cake delivered during the first week (September 6 -16) please, also write "THE FIRST WEEK" on the envelope. Send all orders after August 15.**

The Class of 2010 thanks you for your support.
Sincerely,
Tenaya Vallery
Class of 2010 Treasurer

Birthday Cakes and Cookies

Please, print all the information, detach, and return with payment.
