At SummerMath/SEARCH, we like to give students approximately the same level of responsibility and freedom that they have at home. Students are given frequent opportunities to leave campus with SummerMath/SEARCH staff. On trips they are given the opportunity to travel in small groups in a limited geographic area without a staff member. They are never permitted to leave in a car with anyone other than a SummerMath/SEARCH staff member unless specified below. Further we require that a staff member meet the person with whom the student is leaving.

**IN ALL CASES, A STUDENT LEAVING CAMPUS UNACCOMPANIED BY A SUMMERMATH/SEARCH STAFF MEMBER, HAS THE RESPONSIBILITY TO CHECK OUT WITH HER R.A.**

The above named student has my permission to leave the MHC campus with the following individuals during: (check all that apply)

- Daylight hours (after 4:30pm, returning by 8:00pm)
- During evening hours (6:00pm to 10:30pm)
- On weekends (leaving after 2:30pm on Fridays, returning by 9:00pm Sunday)

Additional comments or instructions:

**If, during the summer, a student would like permission to leave campus in a car with individuals other than those named above, we require that the student's parents/guardians contact the Directors of the Program or the Head Resident (HR). As noted above, a staff member must meet the individual with whom the student is leaving, and the student has the responsibility to check out with her RA.**
