On-Campus Recruiting at Mount Holyoke College

Information Session:

February 9, 2004

7:00pm, CDC Workshop Room
Refreshments

Campus Interviews:

February 10, 2004

MIT Lincoln Laboratory stands as a driving force behind the nation's most exciting and challenging technological advances -- carrying out our mission of applying science and advanced technology to critical problems of national security. We offer the competitive salary and benefits you'd expect from a premier technology employer hiring top-tier scientific thinkers.

If you are pursuing a degree in any of the following majors or a comparable scientific or technical field, our technical staff members would like to consider you for an on-campus interview:

ELECTRICAL ENGINEERING

PHYSICS

MATHEMATICS

COMPUTER SCIENCE

MECHANICAL ENGINEERING

AERONAUTICS/ASTRONAUTICS

MOLECULAR BIOLOGY/BIOCHEMISTRY

MATERIALS SCIENCE

If you would like to learn more about MIT Lincoln Laboratory, please attend our informational session or visit our website.

HOW TO APPLY:

1. Your Career Center's online recruiting system **AND**
2. MIT Lincoln Laboratory's website
