List all courses in which you are currently enrolled that do not appear on your official transcript:

List college-level courses you have completed in the host country language (include course title and number):

List additional language courses that you plan to take prior to study abroad:

List courses you intend to take while studying abroad. We realize this list is tentative and likely will change. Indicate any courses that you must take, and that, if not available, would mean you would not be able to participate in the program.

Briefly describe any previous experience abroad:

Briefly describe your academic goals for study abroad, the reasons for your interest in this program, and how studying here will contribute to your overall academic program and goals.

Supporting Documents Required:

- **Official transcript** from your home institution.
- **Home Campus Study Abroad Approval Form**, to be completed by the study abroad advisor, dean, or other individual responsible for approving credit transfer for study abroad.
- **Faculty recommendation:**
List name and title of faculty member in your major, or another faculty member who is familiar with your academic work and your plans for study abroad, who has agreed to send a letter of recommendation on your behalf. The letter may be sent by mail or e-mail to the address below.

- **Language recommendation:**
List name and title of a faculty member who is currently teaching you (or has recently taught you) French, who has agreed to send a letter of recommendation evaluating your language proficiency as required for the program. The letter may be sent by mail or e-mail to the address below.

- **Travel Waiver Form** (see link to "Mount Holyoke" from [Five College Risk Management](#) website); this form must be submitted in hard copy.

Agreement

I certify that the statements I have made on this application are correct. If accepted to the program, I agree to abide by the rules and policies set forth by Mount Holyoke College and its partner institutions. I authorize Mount Holyoke to send my home institution an official copy of my transcript after completion of the program.
