RECESSIONAL

ALMA MATER

O, Mount Holyoke, we pay thee devotion,
In the fervor of youth that is strong,
The courage of right is thy garland,
Our lives, Alma Mater, thy song.
So from east and from west now we gather,
And united in firm love to thee,
All years are as one, and their loyal pledge,
Mount Holyoke forever shall be,
Mount Holyoke forever shall be.
Through the heart of a new day's endeavor,
Breathes the life of the old days that live,
For what thou hast given we honor,
But we love thee for what we can give.
So when soft in a whisper thou callest,
For the treasures unlocked by thy key,
Our achievements, our hopes and our glorious faith
Shall answer, Mount Holyoke, to thee,
Shall answer, Mount Holyoke, to thee.

Music: Gladys Pratt, class of 1914
Text: Gertrude Brady Murphy, class of 1914

ACADEMIC APPAREL

With origins in the 12th century, academic attire has become a way to identify an individual's degree of learning and the institution granting the degree. Black is the standard color for gowns, and the three levels of degrees (bachelor's degree, master's degree and doctorate) are often distinguished by the sleeve style as well as the length of the hood and the width of the cowl trim. The hood lining identifies the institution conferring the degree, and the color of the velvet hood trim indicates the field of learning. The president of Mount Holyoke College wears a custom-made gown in the College's colors.

Besides the gowns, students don various scarves, stoles and cords as part of their regalia in celebration of their individual journeys at Mount Holyoke College. All graduating seniors are welcomed into the alum community with a gift from the Alum Association – scarves with their class color and symbol. Graduating students of color are honored during the Stoling Ceremony with a stole made from kente or satin cloth that is embroidered with the letters MHC and three symbols: a diamond for wealth and knowledge, a key for the key to knowledge and a stool for leadership and unity.

Student-athletes who participated all four years on any team, including the traditional and nontraditional segments, with the exception of one semester studying abroad, are eligible to wear a stole. Senior student-athletes who aren't eligible for a stole can receive a cord.

Additionally, cords are presented to graduating first-generation seniors during the Fearless First Cording Ceremony. Graduates also often decorate their mortarboards with inspirational messages and pop culture references as well as colors and symbols signifying their class.

HONORARY DEGREE RECIPIENTS

TARA ROBERTS '91

Doctor of Humane Letters

Tara Roberts '91 has written extensively on Diving With a Purpose, a group of scuba divers documenting shipwrecks from the Middle Passage. She first launched a blog series that became the six-part podcast series "Into the Depths." The podcast resulted in Roberts being named 2022's Rolex National Geographic Explorer of the Year. She was the first Black woman explorer ever to be featured on the cover of National Geographic. "Into the Depths" also won the Jackson Wild Special Jury Recognition for engaging platforms, an award given by her peers in the media industry for work that uses digital media to engage and create awareness about the natural world. She has recently released the memoir "Written in the Waters" about her time with Diving With a Purpose. The book has been highly praised, with one reviewer calling it a "profound emotional journey into the heaviness of the past and how history moves fluidly into the beauty and problems of the present."

ELIZABETH WEATHERMAN '82

Doctor of Humane Letters

Elizabeth Weatherman '82 is a special limited partner of Warburg Pincus LLC, a leading global private equity firm focused on growth investing, where she spent 28 years as a health care investor. She has twice been named to Forbes' Midas List, recognizing her as one of the 100 most highly regarded leaders in the venture capital industry. A dedicated and generous volunteer, she is a Mount Holyoke College trustee and chair of the College's investment committee, composed exclusively of distinguished alums; she has also made investments toward scholarship efforts, student safety net and capital projects at MHC. She is the co-founder of the R.T. Weatherman Foundation, which is currently dedicated to filling gaps in humanitarian aid to Ukraine, including the transportation of critically wounded international volunteer soldiers to specialty hospitals in Western Europe and the identification and repatriation of the remains of Americans killed in action. Weatherman was a 2014 recipient of the Women of Power and Influence Award from the National Organization for Women. She has served as a mentor for W.O.M.E.N. in America, an organization of senior business executives in New York City focused on mentoring young high-potential female professionals, and she awards a college scholarship every year to the top female math student at Rockbridge County High School, her alma mater in Lexington, Virginia.

MAURA T. HEALEY, GOVERNOR OF THE COMMONWEALTH OF MASSACHUSETTS

Doctor of Laws

Maura Healey is the seventy-third Governor of Massachusetts. In 2022, she became the first woman and first openly LGBTQ+ person elected to lead the Commonwealth.

Governor Healey has delivered on key promises to make Massachusetts a more affordable place to live and a great place for businesses to operate. In her first year in office, she cut taxes for the first time in 20 years, putting money back in the pockets of families, renters, seniors and businesses. She filed and signed the \$5 billion Affordable Homes Act, the state's largest ever housing investment, to create tens of thousands of homes and the Mass Leads economic development bill to invest in Massachusetts businesses. Governor Healey has also prioritized education and workforce development by expanding financial aid at public colleges and universities, made community college cost-free for all Massachusetts residents and increased access to career and technical education and apprenticeships for students and workers.

Governor Healey previously served two terms as Massachusetts Attorney General, first elected in 2014 and then re-elected in 2018. She grew up as the oldest of five children, with a single mom, captained her basketball team at Harvard and played professionally in Austria, and worked as a business and civil rights lawyer.

STUDENT SPEAKER

TEHANI CHANDRASENA PERERA '25

Tehani Chandrasena Perera is a graduating senior at Mount Holyoke College, receiving a degree in international relations with a minor in psychology and a Nexus in law, public policy and human rights. Tehani is a recipient of the Mount Holyoke College Laurel Fellowship, which she used to study abroad in her junior spring at Queen Mary University of London. Throughout her time at Mount Holyoke, she has been deeply involved in campus life, serving in leadership roles such as co-president of Mount Holyoke's Pre-Law Association, co-chair of AWAZ (the South Asian Students Association), social chair for the class of 2025 executive board, liaison for the international relations department, senior fellow at the Weissman Center for Leadership and part of the inaugural cohort of Presidential Ambassadors at the Office of the President. She also danced with and captained Jhumka – Mount Holyoke's Bollywood/hip-hop fusion dance team. Beyond leadership, Tehani pursued her passion for research, focusing on climate migration and gender justice in South Asia. She presented her work at the 2024 American Association of Geographers International Conference in Detroit, Michigan. Off campus, she served as a Youth Ambassador with Asian Americans Advancing Justice (AAJC) during the 2024 election season and was selected earlier this year as one of 21 students nationwide to attend AAJC's Youth Leadership Summit in Washington, D.C. Through her advocacy, scholarship and leadership, Tehani has made a lasting impact on the Mount Holyoke community and beyond and is recognized for her passion for social justice, environmental sustainability and global equity.
