Uncommon Pursuits

Moving **MHC** Forward

This gift destination through The Mount Holyoke Fund supports things like Nexus concentrations, the academic centers and the Fimbel Maker & Innovation Lab.

These 17 communities, supported through gifts to the Student Life gift destination, help students connect over shared interests.

Gifts to this destination will help create an inclusive digital ecosystem to support operational excellence and student success.

This is the name of the College's annual fund, which offers 20+ different ways to designate your gift so you can support what matters most to you.

The founder of Mount Holyoke, this woman spent two years persuading others to invest in her bold vision for women's education.
