

TLI Remote Teaching Resources

Course Consult information

If you'd like 30 minutes of time to go over ideas or ask specific questions, we have a number of faculty helping out as TLI consultants during this period. Email Liz (emarkovi@mtholyoke.edu) or Wendy (wendy.rua@mtholyoke.edu) to set up an email/phone/Zoom meeting. Our colleagues and their areas of expertise are here:

Bryan Nakayama	Politics	Podcasts / other creative/alternative media assignments. Brainstorming. Zoom. Tech accessibility. Identifying / using online media resources (archives, etc)
Vanessa Rosa	Latina/o Studies	general syllabus review; brainstorming
Megan Saltzman	Spanish	General online teaching (in Second-language and English). Zoom, Google programs, Camtasia/Quicktime for making video lectures with one's computer screen + webcam, Moodle, Quizlet, etc. I'm good at helping simplify and grasp the basics in designing and communicating an online plan.
Katie McMenimen	Chemistry	Ipad lectures
