Or Call: 538-2235
**Terms & Conditions**

Dining Services Catering provides in-house catering and a pickup service. We do not deliver.

**Minimum Order Charge**

There will be a $35.00 minimum order for all in-house catered events that require set-up. An 18% house charge will be added to all catering. There is also a minimum of $20.00 on ANY catering order. For those not qualifying for tax exempt status, a Massachusetts State and local tax of 7% will be added to listed prices. Please be aware that house charges and bartender fees do not represent a tip, gratuity, or service charge for wait staff employees, bartenders or any other employees providing service at your event. Prices are subject to change because of market fluctuations.

**Equipment & Linen Rental**

Linens can be rented at $3.50 per banquet tablecloth. Orders of more than 15 tablecloths may be subject to a seven (7) working day notice. Dining Services does not rent out or loan equipment.

**Food Left from Catered Events**

Dining Services wants to ensure that all food has been properly handled and food waste is minimized. Proper planning and accurate guest counts help us accomplish this. Safe food handling is taken very seriously to ensure that none of our guests are susceptible to food-borne illness. Any unconsumed food or beverage left at the conclusion of a catered event may not be removed from the event location. This also pertains to any food items that were used for display at the catered event.

Blanchard Campus Center/Dining Commons and Willits Hallowell provide their own catering for private events; due to licensing restrictions outside caterers may not be used at these venues. Additionally, no food, beverage or alcoholic beverage can be brought into the building from an outside source.

**Off-Campus Caterers**

If you are considering hiring an off-Campus caterer for a venue other than Blanchard Campus Center/Dining Commons or Willits-Hallowell Center, (for food only, not alcohol), you MUST have the caterer pre-approved by Hallowell Events Services at x2220, a minimum of two weeks in advance. All outside caterers must carry sufficient insurance as required by the College. Do not make arrangements with a caterer until they have been pre-approved since not all caterers are eligible to serve on the MHC Campus.
