Dining Services is looking forward to providing a dining experience in the spirit of Commencement Weekend—celebratory and exciting!

To ensure a well-planned weekend, we need to know the number of meals you would like us to provide. Please be sure to have your ticket information to us by **Friday, May 3rd**. All guests will need to present a ticket for all meals provided for the weekend.

If you are planning to dine off-campus during the weekend, we encourage you to do so on Friday evening. On Saturday, there may not be enough time to dine away from the College and return in time for the Baccalaureate Service.

The Baccalaureate Buffet Dinner is a special time for seniors, their families, and guests to join “the Stars” under tent on Skinner Green. On Sunday, after Commencement exercises, there will be a complimentary celebratory reception.
