Choose your destination.

Direct your Mount Holyoke Fund gift to one of the areas listed below, and make an immediate difference where it matters most to you.

**Wherever Mount Holyoke Needs It Most**
Provide the College with flexibility to support the most critical, immediate needs on campus.

**Academic Enrichment**
Support academic departments, curriculum development, instructional programs and the academic centers.

**Athletics**
Support athletic and recreational activities for students that promote health, personal growth, school-life balance and leadership.

**Campus Preservation**
Help maintain and preserve our historic buildings and grounds, and protect the natural characteristics of campus.

**Diversity, Equity and Inclusion**
Support projects and initiatives — such as the MoZone Peer Education Program, the cultural centers, speakers and special events — that foster a campus environment that is inclusive, pluralistic and free of discrimination.

**Faculty**
Help attract and retain excellent professors and maintain a small student-to-faculty ratio.

**Library and Archives**
Ensure the preservation and advancement of our premier research library, special collections and historic archives.

**The Lynk and Career Preparedness**
Support internships and research opportunities, programming and enhanced advising.

**Scholarships**
Honor the College’s long tradition of providing scholarship aid to exceptional students from all economic circumstances.

A gift of $10,000 or more, directed to The Mount Holyoke Fund Scholars Program, provides a one-year named scholarship to a student with demonstrated need.

**Student Life**
Support the myriad activities that enrich student life, including student-run clubs and organizations, residence hall programs and M&Cs!

**Sustainability Initiatives**
Help the College train the next generation of environmental leaders — via the Campus Living Laboratory, environmental internships and research — and meet its pledge for carbon neutrality.

**Technology and Teaching Tools**
Help to provide and maintain laboratory equipment, computers, software and mediated classrooms.
