Our Employee Assistance Program provider, The Wellness Corporation, has been acquired by E4 Health, a leading provider of holistic life services and wellness solutions for organizations nationwide. The merger of these two experienced, professional teams will afford expanded service offerings for faculty and staff, while providing all the high quality services and capabilities that you and your family/household members are accustomed to.

**NEW FOR 2014**

- The EAP will be rebranded, *LifeScope, where there’s more to life*. This name embodies TWC’s and E4 Health’s commitment to offering a holistic life service, with something for everyone. The branding will be incorporated into presentations, communications, promotional materials, etc.

- As of 1/1/14, you will have access to a new full-service member website. You can access this site by using the current URL [www.wellnessworklife.com](http://www.wellnessworklife.com) or by using the LifeScope URL [www.LifeScopeEAP.com](http://www.LifeScopeEAP.com). Please see the attached flyer for more information.

- The toll-free helpline (800-828-6025) will remain the same for the foreseeable future.

- Effective immediately, callers will have the option to have their calls recorded for quality assurance purposes. Callers may opt-out immediately before being connected to a Master’s-level counselor.

- The *LifeScope, where there’s more to life* communications plan will be e-based, and will include monthly themed communications, monthly service flyers, and quarterly management newsletters, in addition to topical information and supportive resources as needed. New brochures and promotional materials will also be made available.
The Wellness Corporation is pleased to announce our merger/acquisition by E4 Health, a leading provider of holistic life services and wellness solutions for organizations nationwide. Together we will continue to provide all the high quality services that you and your members are accustomed to, while affording expanded service offerings and upgraded systems to benefit TWC clients on both an organizational and individual level.

**NEW FOR 2014**

- The EAP will be rebranded, *LifeScope, where there’s more to life*. This name embodies our commitment to offering a holistic life service, with something for everyone. The branding will be incorporated into presentations, communications, promotional materials, etc.

- **As of 1/1/14, you will have access to a new full-service member website.** You can access this site by using the current URL [www.wellnessworklife.com](http://www.wellnessworklife.com) or by using the LifeScope URL [www.LifeScopeEAP.com](http://www.LifeScopeEAP.com). We will be offering live demos of the site on 12/10, 12/11, and 12/12. Please see the attached flyer for details and how to register.

- **Effective immediately, callers will have the option to have their calls recorded for quality assurance purposes.** Callers may opt-out immediately before being connected to a Master’s-level counselor.

- **The toll-free helpline (800-828-6025) will remain the same for the foreseeable future.**

- **A Management Resource Consultation (MRC) line will offer 24/7, dedicated access to senior clinical consultants who are specifically equipped to provide high level consultation and response around critical incidents, performance issues, and sensitive or high risk cases.** You can still call the main line and/or your account manager directly, but we are pleased to be able to offer yet another means of access to consultative services. The MRC line can be reached by calling **877-267-1585**.

- **You will receive a shipment of LifeScope-branded brochures in late December-early January. Webinar Orientations** on “what’s new for 2014” are available for you and for employees. Both are free of charge.

- **The *LifeScope, where there’s more to life* communications plan will be e-based, and rolled out as follows:**
  - Monthly themed communications available on the first of each month (poster, webinar, tip sheets)
  - Monthly service flyers highlighting the varied and useful ways members might utilize the program
  - Quarterly management newsletters on topics of relevance to HR and those in leadership positions
  - Ad-hoc communications including information and support in times of local and/or national crisis; webinar/seminar/dial-in group promotions; announcements regarding new procedures, initiatives and product offerings; and special requests
