SELF-SCHEDULED EXAMINATIONS:
To take a self-scheduled final exam, come to the exam center in Hooker Auditorium at the start of an official exam session. The center will be open for distribution and return of the examinations during the times noted below.

Exception: On Thursday aft. only (2pm-2:30pm), Geology, Mathematics, and Statistics exams should be picked up from the Kendade Atrium instead of Hooker.

Enter Hooker at the upper level by the doors nearest the Amphitheater, or at the lower level, accessible by stairs or elevator from Clapp. Then, follow signs to the appropriate area within Hooker to pick up the exam you wish to take. You will then leave Hooker to take your exam in the designated exam room of your choice. Some rooms are designated as the only ones allowable for open-book exams. The front of your exam envelope will specify if you are required to take the exam in an open-book exam room and any allowable reference materials/tools. Other exams must be taken in a closed-book exam room. All exams must be taken in a designated exam classroom.

Exam periods are two hours in length. Students must take pre-scheduled exams during a scheduled exam session. Students are allowed to take only one exam per session. Ordinarily, students are allowed an additional 30 minutes total for traveling to and from an appropriate official exam center and for check-in; this time is built into the exam session. All exams must be completed and returned to the exam center by the end of each session. Students who choose to start an exam late during one of the exam sessions must still return the exam by the end of that session, thereby shortening the available time for taking the exam. Self-scheduled exams may be taken during any session as long as all required exams are completed during the designated exam sessions. The last exam session begins at 9:00am on Monday, May 9. Seniors and other graduate or certificate students in their final semester have an earlier deadline for completing all exams; their last exam period begins Sunday morning at 9:00 a.m.

If you have lost your ID card, obtain a replacement by going to the Technology Help Desk located in the Info Commons on level 4 of the Williston Library Monday through Friday 8:30am-5:00pm. Any other hours, please visit Public Safety and Service. Students requiring assistance obtaining their exams from Hooker should contact AccessAbility Services at ext. 2634, so that arrangements can be made prior to the beginning of the examination period.
